To,

Sub: - Quotation for Website Design and Development

Resp. Sir,

TechSyslogy Profile

Virtual Office: - www.techsyslogy.com

Email : - info@techsyslogy.com

Mobile: - +91-9325094725, 9595323928

Scope of Work

As per your requirement received by us on email, for the initial phase of development (the online presence), **Techsyslogy** will work with the client to develop website and migrate content for **news4socialmedia.com**. This initial phase will last 4 working days.

Details:

- Installation of Word Press and related tools
- Custom designed theme to match client's branding and design specification

Techsyslogy will install a content management solution to allow easy update of the website as needed. All necessary extensions for the content management system which are not open-source will be purchased and charges will be applied accordingly.

Design and consulting services will be provided on fixed rate basis in the amount written in Fees section. Services not listed in Fees section should be considered as additional of this proposal.
